

Regarding K-LOVE radio stations.  
Please do not expand the LPFM service.  
My family and I as well as many of our friends rely on the  
uplifting music and messages that these stations offer to us  
each and every day. The K-LOVE stations are all I listen to.  
I'm begging you not to interfere with the FM translator  
services that are required for me to receive their stations  
in my area. I don't know what I'll do without them. Please!

K-LOVE stations support wholesome, family-friendly values and have  
a positive and encouraging impact on communities all across  
America. The public interest, especially that of the youth and  
young adults is at stake here.

There are so, so many secular stations out there to  
cloud their judgement and give more of the same old "It  
don't get any better than this" or "Another Somebody  
done somebody wrong song, and now I'm cryin' in my beer"  
but there are so few stations that offer positive,  
encouraging messages. K-LOVE stations do just that.  
Don't take out the only alternative to the "same old"  
message that everybody else is offering. Please!  
You would be doing a disservice to our community.  
One that will have a negative impact larger than you  
could ever imagine.

I appreciate your time and SERIOUS consideration.

Thank you,  
Angie Walshall
